Version 7

Date: 10 November 2025

Important Information

Financial Services Guide

This Financial Services Guide (FSG), is designed to clarify who we are and what we do, and to help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you;
- how we and our associates are paid and – any other benefits we may receive;
- any potential conflicts of interest we may have;
- how we protect your privacy and handle your personal information; and
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. The Privacy Notification section is worthwhile reading as it gives you further clarity on how we handle your personal information. And of course, if you ever have any questions, please contact us.

Other documents you may receive

In addition to this FSG, if we provide you with financial advice, we will also present you with a written Statement of Advice (SOA). This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the '**Contact us**' section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the '**Contact us**' section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (e.g. fax, email or letter) or another method agreed with us.

Not Independent

Godfrey Pembroke Group Pty Ltd (Godfrey Pembroke) is not independent, impartial or unbiased because we may receive commissions on life insurance products we recommend to our clients.

Approved Product List

Our Approved Products List (APL) is a list of what we consider to be sound quality, fully researched products, but doesn't include all possible products available in the market. Only products and services that have been examined by our experienced research consultants are placed on our APL.

When selecting products for you, we are generally limited to the range of investment products and a selection of 12 insurance providers on the APL.

Your adviser will first source from the APL before providing any recommendations. They will only recommend a product or service after considering its appropriateness in relation to your individual objectives, financial situation, needs and best interests. Where your strategy requires products and services other than those on the APL to act in your best interests, our research specialists will be consulted, and we will seek to find an alternative solution.

Payments and benefits we receive

At Godfrey Pembroke we believe you deserve transparency and we want to ensure all our recommendations are driven by your needs alone. This is why Godfrey Pembroke has led the industry in implementing a fee-for-advice model (back in 2006), and we will continue to do so. This model allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based on:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- by direct invoice from us for initial and ongoing advice;
- in some circumstances, where possible, as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- where applicable, for legacy products, we may be paid a commission by the financial product issuer(s);
- where applicable, via commission we may receive from a financial product provider when you commence an insurance contract and ongoing commission annually during the life of the insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time. Please refer to the **“How we charge for our services”** section of this FSG for further information.

Insurance products

We do not receive commissions either directly or indirectly from any life insurance products.

For clients with existing Insurance arrangements in place where we may receive commission on insurance products, the relevant insurer will pay an initial commission to us when the policy is issued. The commission is calculated as a percentage of the premium paid (and may include health, occupational, frequency and modal loadings and policy fees, but excludes stamp duty).

Annual commission will also be paid when you renew your policy each year.

The rates of initial and ongoing commission will depend on the date the policy is issued and are set out in the table below:

Date policy is issued	Initial Commission (% of annual policy cost including GST)	Ongoing Commission (% of annual policy cost including GST)
Before 1 January 2018 or before 1 April 2018 (where the application was received before 1/1/18)	up to 130%	up to 33%
From 1 January 2018	up to 88%	up to 33%
From 1 January 2019	up to 77%	up to 33%
From 1 January 2020	up to 66%	up to 22%

We may receive commission at pre-1 January 2018 rates if:

- you increase your cover, add new cover or otherwise amend a policy purchased by you before 1 January 2018; and
- that policy amendment results in commission receivable by us, and
- that policy amendment is eligible for pre-1 January 2018 commission rates.

Example (all figures include GST):

You purchase the policy for \$1000 on 1 December 2019. We may receive an initial commission of up to \$770 (\$1000 x 77%) in the first year and ongoing commissions of \$330 per annum (\$1000 x 33%) for as long as you continue to hold the policy.

If you increase your cover on 1 July 2020 for a cost of \$500, we may receive an initial commission of up to \$330 (\$500 x 66%). The ongoing commissions on the additional cover may be up to \$165 (\$500 x 33%). This is in addition to the ongoing commissions of \$330 per annum when the policy was purchased. Total ongoing commissions payable to us may be up to \$495 (\$1500 x 33%).

Please note that the initial and ongoing commissions on life insurance products are paid to us by the product provider and are not an additional cost to you.
